Financing, a driving force on the healthcare landscape, continues to become more complex. With budgetary pressures on Medicare and Medicaid, pay for performance and federal expectations for investments in technology, without regards to cost, executives must constantly monitor the financing landscape.

At this session you will learn:

- The outlook for Medicare, Medicaid, and private insurance and their impact on organizational strategy and planning
- The outlook for pay for performance and consumer-driven products and their impact on organizations
- Current issues providing charity care
- The latest plans for healthcare reform from the Obama administration

Registration includes cocktails and dinner.

If you require special dietary requirements or need additional information, please contact Gretchen Franklin at 614-354-4021 or info@gohlf.ache.org

This program has been developed and is presented locally by the Greater Ohio Healthcare Leaders' Forum. The American College of Healthcare Executives has awarded 1.5 Category I (ACHE Education) credit hours to this program. To receive credit, your name must appear on the Sign-In Sheet.
