Job Shadowing Day

Tuesday, February 2, 2010

The annual GOHLF job shadowing day is planned for Tuesday, February 2, 2010 (Groundhog Day). This program has been developed as an opportunity for students enrolled in local graduate programs to experience a day in the life of a health care executive. This event will also serve as an opportunity to showcase through local media the many excellent health systems and administrative teams across our region.

GOHLF, the southern Ohio chapter for ACHE, is seeking C-suite level healthcare executives to host a student for this day. Students will be contacted through the ACHE Higher Education Network and other graduate programs to solicit participants in the program. The Students Activities Committee of GOHLF will then match students and healthcare executives based on geography, student experience preference, etc.

Executive volunteers need to be identified by September 30, 2009.

If you are interested in hosting a student or receiving more information, please contact:
